Personal Vow 1

[Name], in you I have found the love of my life and my bestfriend, No matter where
No matter where I am, if I'm with you I feel like I am home.
I love you, I love the way you always keep me strong even in days I honestly feel like
I can't go on,
I promise you from the bottom of my heart to love you till death to us part,to
encourage you and inspire you through all the adventures of life.
To grow old with you and fall in love with you a little more everyday.
I take you as my husband to give you my hand, my love and my whole heart for my
whole life, I promise.

Personal Vow 2

Seven years ago we met as teenagers. I did not know it then, but you are my soul mate, lover and
best friend. Six years later and here we stand today ready to make our final commitment to each
other. And although you are not one for sappy love stories, I promise you these things. I will care
for you, support you and comfort you during times of sorrow and sadness. I will love you for who
you are, no matter how frustrating you may get at times. I promise to always love you. Know that
you are my one true love, and that I can't wait to spend the rest of my life with you.

Personal Vow 3

From the moment we met, you've captivated me, challenged me, frustrated me and improved me
in ways no person has done before

And I have fallen in love with you again and again

I promise to be true to you, to support and encourage you and to challenge and frustrate you in
return

Our future together excites me as I feel incredibility lucky to have found someone who understands
me the way you do.

Personal Vow 4

I, [Name], choose you, [Name], to be my husband. In front of our family and friends, I promise to
love and cherish you through every obstacle that may come into our path. You make loving easy
you are my best friend. I know you are able to deal with my temper tantrums, and I have
discovered you make very few decisions. You pick up my half empty coffee cups, and, mostly let
me get my way.

When we met, all I knew was that you made me laugh and you had a dorky look, which I thought
was hot. Only time would allow me to see your true colours. You're generous, loving, sensitive,
kind and a pain when it comes to football and cricket. I promise to love you unconditionally, to
support you in your goals, to honor and respect you, to laugh with you and sometimes at you, for
as long as we both shall live.

Personal Vow 5

I [Name], take you as my wife.

To say I love you is not enough,
To try to condense the depth of my feelings into a few words is impossible.

It doesn't tell of the respect I have for you as an individual,
Nor how I appreciate how tender and caring you are,
Nor the joy I find in your laughter,
Nor the tears I hold back for your pain,
Nor the strength you give when I need it,
Nor the pleasure I feel in your touch.

But if to say I love you means all these things
Then let me say I love you more each day

Personal Vow 6

I, [Name] take you [Name] to be my best friend, my husband and my everything. To have and to hold from this day forward, for better or for worse, for richer, for poorer, through school holidays and report writing time, through [Sports Team] wins and [Sports Team], through my shoe addiction and your football addiction, through laughter and tears, in sickness and in health, to love you forever and to cherish you above all others; from this day forward until death do us part and then we will relive it all over again.

Personal Vow 7

When I was told I had to think up some vows I had no idea what I was going to say. Then I got to thinking about all the things I love about you; like all the crazy things that come out of your mouth without thinking (like thinking a cherry picker was someone who picks cherries), the way you bust out into song for no apparent reason and your idea of 50/50 sharing (that is 50% you, 30% me and 20% the cat).

From the time we have spent together, I have fallen madly in-love with you and all of your wonderful quirks. You fill every day with adventure and wonder and I know that as long as I'm with you, my life will never be boring.

You have done so much for me over the years, like cooking me delicious meals, organizing amazing holidays and putting up with all my bad habits like leaving my stubby tops on the bench. For all of this, and so much more that you have done for me, I promise to love, cherish and adore you; to laugh with you and not at you, to give you lots of back massages, to not drag you past every shoe shop you pass and I promise to let you, let me go out riding whenever you want me to so you can watch your TV shows. But most of all, I promise to be there for you every day for the rest of my life; because without you I would not be the man I am today.

I am so happy I will have you by my side as my loving wife and I can't wait to spend the rest of my life with you.
